EXPERIENCE

At Azad Chai Wala Institute

Presently,

PYTHON PROGRAMMING COURSE

I am currently a Student of Azad Chai Wala Institute. My primary and main focus is on Python development, I've been delving deep into the world of web development, gaining insights into the intricacies of coding languages like HTML, Java, and CSS. The faculty, composed of industry experts, not only imparts knowledge but also encourages critical thinking and problem-solving where I'm learning various things, including coding, debugging, and problem-solving.. I'm enthusiastic about collaborating closely with experienced developers and mentors at the institute to gain the necessary knowledge and expertise in these technologies. I'm excited to continue honing my skills in web development and coding, preparing myself for a successful future in the ever-evolving tech landscape.
